

Our Lady of Guadalupe Academy

Blessed Be God!

February 7, 2012

Dear Parents,

We are happy to inform you that the installation of the grass has been completed in our school grounds. The company has advised us not to walk on the grass for three weeks due to the sensitive root systems. We have informed teachers and students that no balls will be used on school grounds and walking on the grass will not be allowed for an additional two weeks until the company gives us the green light. Although we thought we would have the need to use other existing gates, we will continue using our front gate by the office and back gate by 3A to drop off and pick up students. The other gates will remain closed.

I want to thank all of the families for your support in beautifying our school grounds. Thanks to your hard work, we have been able to make these and other upgrades to our school. Looking ahead, we are planning on placing an additional shade above the playground area as well as installing cushioning material.

Let me take this opportunity to remind you about our upcoming Bingo Night on March 7th. As I mentioned in our PTG meeting, this Bingo Night will help us bring funds to our school to make necessary upgrades as described above. I would like to ask every family will help us purchase at least one \$20 ticket and thus contribute to our school's beautification fund. You may purchase a Bingo ticket from your room mother or from the front office.

Once again, I thank you for your continued support to our school and involvement in your child's education.

Sincerely,

Sr. Maria Elvia Gonzalez, S.J.S.
